2021 subscriptions for membership of the National Sonata One Design Class Association are now due and with an annual fee remaining at £20.00 per year, we believe this represents value for money and that the benefits of class association membership certainly enhance the experience of owning a Sonata.

Once this form and your payment have been received you and your boat will:

- Receive a digital 2021 Class Association Membership Certificate
- Be entitled to compete in National Sonata Class events.
- Be entitled to vote at the AGM.
- Be eligible for NSA mast in stock should you break your mast whilst racing (after 1-year membership)

Please complete the details below and send the form back by email with payment by BACS or standing order as below. If you are unable to pay this way then we can still accept cheques payable to the National Sonata Association.

Thank you for supporting your association

Yours

Clive Brooke

Membership Secretary, NSA
